Subject: Re: Schedule update

Hi Jeff,

[REDACTED] On another note, please be advised, if you are not aware already, that the job name from now on should be "Ameridose" and not "NECC HSD". Apparently, for regulatory purposes, the two pharmacies have to be separate entities and since one is NECC, the other has been changed to "Ameridose" to more easily differentiate it from New England Compound Center.

Steve H

Steve,

Thanks,

Jeff Erickson
